Class of the Field

Nominations Needed

New officers will be voted upon on Awards Evening which is scheduled for May 29th. Nominations for all three LIICL officers should be submitted to any of the current officers.

All present league officials - (President - Steve Romero, Treasurer - Paul Montenero and Rules Director - Mike Pappaceno) are currently serving their third term and per the by-laws' term limits, may not run again for the office they currently hold.

To be eligible one must have been an LIICL member for 2 seasons.

Pattard Captures LIICL MVP Title

Tom Pattard of EOTS passed George Berg in the final round to capture the Class A Ronnie and in doing so was the highest regular season scorer. The MVP title up to now has been an unofficial moniker. The LIICL is pleased to announce that an anonymous benefactor has come forward and donated a perpetual trophy that will honor all LIICL MVPs. Tom will be the first to keep it for the year of his title. Nick Panico tied for second in the Class A race with Berg a scant 1/2 point behind Tom.

In Class B we already knew that Rich

Viale of CCC had clinched a piece of the title but he quickly won his game and clinched the title for himself. Dennis Hom finished second a full two points behind Rich.

Class C had already been won by Ed Rusch of Alumni D with Alan Parrish and Mike Mason tied for second 1-1/2 points back of Ed.

Ed Hartten made it a double for Alumni D as he had previously sewn up the Class D division. Hartten lapped the field by 3-1/2 points which might be the largest class winning margin ever.

Playoffs Start Tonight

The LIICL Playoffs will commence with the Quarterfinal Round on Friday, April 3rd. The playoff brackets are shown on page 7. This gives the match-ups, colors and tie-break favorites. The top half of the bracket has EOTS paired with Alumni C and KSF with LSF. The winners of those two matches will

meet in the Semifinals as will the two losers face each other in the next round.

The bottom half features the Quarterfinal match-ups of CSI with EDO and CCC with Alumni D. Once again the winners of those two matches will meet in the Semis while the two losing teams will go on to play

each other in the next round. That pattern will continue to the Finals. with this new format no team is eliminated from match play throughout the three playoff rounds. any persons not participating in the matches can sign up for the Individual Swiss Tournament to be held during the playoffs.

Rules of Conduct for LIICL Match Play

- 1) Games are played under USCF rules unless otherwise stated in the LIICL Constitution.
- 2) Time Control is game/85 + 5 seconds per move with time delay. Clocks must be set at 4:35. Or without time delay Time Control is game/90. Clocks must be set to 4:30. Time delay if available takes precedence.
- 3) All play will start promptly at 6:50 PM. Any player not appearing by 7:50 PM forfeits the game.
- 4) A primary Tournament Director (TD) will be assigned before the onset of play each round. A secondary TD will be assigned who will preside over any match that involves a team which belongs to the same organization as the primary TD. TDs are listed on the scoresheet provided.
- 5) Each team is responsible to provide two boards, two sets and two chess clocks.
- 6) All moves must be recorded except if either player has less than five minutes remaining. If moves are not recorded, any claim of repetition is void.
- 7) Clocks must face outward toward the aisle and away from any wall. The TD must have clear visibility. Black has choice of which side he/she wishes to place the clock. Once this is established, then players may have to rotate the board so as to satisfy the visibility requirement. This may result in teammates sitting on opposite sides of the same table.
- 8) Players must sit in order of LIICL rating. If a player is late, the team may postpone assigning players to boards since alternates, if available, must sit in board order. In any case, clocks will start at 6:50 PM. If a board is unfilled and forfeit, this shall not cause the forfeit of any lower board (this is an exception from USCF rules).
- 9) If both opponents are late, the elapsed time should be divided evenly among them upon arrival of the first player.
- 10) If an error was made in setting the clocks or if the clock is not functioning correctly, the time error shall corrected if it can be determined what the correct times should be. If a determination cannot be made, then the elapsed error shall be divided between the players. If this puts a player in severe time trouble or would cause a player to lose on time, then the time will be proportioned at the discretion of the TD.
- 11) To claim a win on time, you must have mating material. Otherwise the game is a draw. According to USCF laws, you must call your opponent's flag. If both flags are down, the game is a draw. Checkmate ends the game but it is always a good idea to stop your clock anyway just to eliminate any arguments.
- 12) With less than five minutes remaining on your clock, you must hit the clock with the same hand which moves the pieces.
- 13) If an illegal move is made, stop the clocks and call the TD. Two minutes will be added to your time if the TD establishes that the opponent has made an illegal move.
- 14) All players must move away from the playing table when their game is concluded. Loud post mortems, kibitzing and any other form of interference are prohibited and can be penalized by the removal of the guilty party(ies) and/or banishment from the league.
- 15) Table assignments for each match are from the playing schedule.
- 16) Match results, along with names of participants on each board, must be recorded on the results sheet provided and must be submitted to the Rules Director at the end of play. Team Captains or their proxy must sign the scoresheet upon completion of the match.
- 17) A team captain may, without looking at or considering the board position of a game in progress:
 - a) ask a teammate to offer a draw,
 - b) instruct his teammate to accept or refuse a draw offer, or
 - c) tell his teammate the results of any completed games and/or the current match score.
- 18) A player may ask his captain if he/she may:
 - a) tender a draw offer,
 - b) accept or reject a draw offer, or
 - c) the score of the match.
- 19) Any conversation among team members not specified in (17) or (18) is illegal.
