Several Issues on Docket

The LIICL Board of Directors have called the mid-season E-Board meeting for February 4 at 6:00 PM at the Huntington Library. The most pressing issue will concern the LIICL website. The current web host will soon no longer be available.

Up to now this hosting costs the LIICL nothing as the webmaster was letting us piggyback on his personal account. If we want to continue to maintain the site, we need to find another host at an undetermined cost.

Another proposal was that the LIICL might take advantage of the USCF warehouse sale to create an inventory of prizes. These would be at a deep discount. While the minimum purchase is at least \$100, that represents less than we annually spend on such items. At these prices we could get almost 3 year's worth of prizes which would amount to an annual savings of about \$70.

It has been mentioned that several players trying to get a pick-up game have been unsuccessful. A verbal proposal was made that there should be some rules which would guarantee those who show up earliest should not be shut out of such opportunities.
