Rules of Conduct for LIICL Match Play

- 1) Games are played under USCF rules unless otherwise stated in the LIICL Constitution.
- 2) Time Control is game/90, with time delay clock it is game/85 +5 sec/move.
- 3) All play will start promptly at 6:50 PM. Any player not appearing by 7:50 PM, forfeits the game.
- 4) A primary Tournament Director (D) will be announced before the onset of play each round. A secondary TD (S) will be announced at that time who will preside over any match that the involves a team which belongs to the same organization as the primary TD.
- 5) Each team is responsible to provide two boards, two sets and two chess clocks.
- 6) All moves must be recorded except if either player has less than five minutes remaining. If moves are not recorded, any claim of repetition is void.
- 7) Clocks must face outward toward the aisle and away from any wall. The TD must have clear visibility. Black has choice of which side he/she wishes to place the clock. Once this is established, then players must rotate the board so as to satisfy the visibility requirement. This may require that not all members of any team will be sitting on the same side of the table.
- 8) Players must sit in order of LIICL rating. If a player is late, the team may postpone assigning players to boards since alternates, if available, must sit in board order. In any case, clocks will start at 6:50 PM. If a board is unfilled and forfeit, this shall not cause the forfeit of any lower board (this is an exception from USCF rules).
- 9) If both opponents are late, the elapsed time should be divided evenly among them upon arrival of the first player.
- 10) If an error was made in setting the clocks or if the clock is not functioning correctly, the time error shall corrected if it can be determined what the correct times should be. If a determination cannot be made, then the elapsed error shall be divided between the players. If this puts a player in severe time trouble or would cause a player to lose on time, then the time will be proportioned at the discretion of the TD.
- 11) To claim a win on time, you must have mating material. Otherwise the game is a draw. According to USCF laws, you must call your opponent's flag. If both flags are down, the game is a draw. Check-mate ends the game but it is always a good idea to stop your clock anyway just to eliminate any arguments.
- 12) With less than five minutes remaining on your clock, you must hit the clock with the same hand which moves the pieces.
- 13) If an illegal move is made, stop the clocks and call the TD. Two minutes will be added to your time if the TD establishes that the opponent has made an illegal move.
- 14) All players must move away from the playing table when their game is concluded. Loud post mortems, kibitzing and any other form of interference are prohibited and can be penalized by the ouster of the guilty party(ies) and/or banishment from the league.
- 15) Table numbers are assigned for each match on the playing schedule.
- 16) Match results, along with names of participants on each board, must be recorded on the results sheet provided and must be submitted to the Rules Director at the end of play.
- 17) A team captain may, without looking at or considering the board position of a game in progress:
 - a) ask a teammate to offer a draw,
 - b) instruct his teammate to accept or refuse a draw offer,or
 - c) tell his teammate the results of any completed games.
- 18) A player may ask his captain if he/she may:
 - a) tender a draw offer,
 - b) accept or reject a draw offer,or
 - c) the score of the match.
- 19) Any conversation among team members not specified in (17) or (18) is illegal.
