### 3-1 Win Caps Playoff Season

The top seeded NGC team recaptured the LIICL title that they had lost to LIRR last season. They beat Photon Research Associates by a 3 to 1 score. Previously NGC and PRA had split their two matches during the regular season.

Clear-Cut Computing is the Under 1800 champion based upon their higher regular season finish of all such teams in the quarterfinals. Ademco/KSF finished second in that category.

### FIDE Championship Update

FIDE still claims that they will go ahead with the \$1M championship in Argentina. But as surmised neither Kasparov nor Kramnik will participate.

## Best Game and Combination Submittals Needed Tonight!

There are only a few Ronnie Awards left to be decided. The Individual Swiss winners will be determined tonight. The only Awards still up for grab are the Best Game and Best Combination. All games from the regular season, playoffs, Individual Swiss and casual LIICL play are eligible for consideration. Be sure to give a copy of any submission to Bob Rizzo so that you may be considered for these prizes. Any analysis which accompanies your entry would be helpful. By submitting your game, you give permission for it to be published in the League Leader. The deadline for entering is tonight.

### LIICL Elections

The LIICL Awards Evening will be held on June 3rd starting at 6:00 PM. Trophies will be given out at 6:30 PM and the Speed Championship will start at 7:00 PM sharp. As usual there will be the always amusing LIICL Quiz along with food and refreshments. All LIICL members, their families, friends and chessplayers everywhere are invited. Elections of 2005-06 Officers will occur on that evening. The ballots for those positions will be handed out to team captains. Below is a sample ballot. Anyone wishing to run for office must so declare by this evening to get listed on the ballot.
