Some Ronnies Clinched

Round 12 is a position round and completes final regular season play. The order of finish will be used to seed the teams for the playoffs. The round 12 pairings are:

- EDO (W) vs. LSF (B)
- NGC (W) vs. LIRR (B)
- CCC (W) vs. PRA (B)
- ALE (W) vs. HON (B)
- ALD (W) vs. ALC (B)

As a result of play through round 11, a number of positions and Ronnies have been already clinched.

LIRR is the regular season champion as no one can overtake them for first place. Willie Johnson has clinched Class A and MVP but Len Chipkin could tie him for those honors if Len wins and Willie loses in round 12. Justin Greenwald has clinched Class D but Walter Thomas could catch him with a win combined with a Greenwald loss.

LIRR, NGC, EDO, LSF, PRA & CCC have clinched first round playoff byes. Honeywell will finish 7th and play the 10th place finisher in the first round of the playoffs. All first round and 2 of the second round playoff matches will be known at the end of round 12 play.

Submit Your Games

To capture a Best Game or Best Combination award, you must submit the game score. To date we have very few games to select from. Submit those games and capture a Ronnie!

Announcing LIICL Quiz 2006!

Starting with the Vol. XVI, No.6 edition of the League Leader, a new LIICL chess contest is being launched. It will consist in total of 12 chess related questions, one in each newsletter up until the LIICL Finals. The points will vary depending upon the level of difficulty. There will be prizes for the 5 contestants who compile the most total points. The prizes will be announced soon. Answers to each question can be submitted either via email to liicl@yahoo.com or in person to Bob Rizzo using one of the entry sheets provided during each round. Time is of the essence. To earn full points, your answer must be received no later than midnight of the following round of play. Due to the fact that the time between rounds is not always the same, this will mean that you will have more time to answer some questions than others. For each round that an answer is late, one point will be deducted from your score (assuming your answer is correct). Your answer must contain your name, the quiz problem number and your answer. If submitting by email, please put "LIICL Quiz 2006" in the title. All decisions of the judges are final. The seventh question appears on the following page. Good Luck.

E-Board Meeting March 4th

There will be an LIICL Executive Board meeting at the Huntington Library at noon on Saturday, March 4, 2006. There will be several important items discussed so all teams should be present. The following items are on the docket so far. Please contact one of the Officers if you wish to forward any proposals.

- * Budget cuts
- * Outcome of Huntington Library Board of Trustees Feb. 28th Meeting
- * Planning for the Awards Evening
- * Playoff Rules and League Schedule
- * Nominations for Officers

New Ratings After Round 12

The Playoffs will be contested with board order based upon the Playoff Rating List. This list will be issued soon after the final move of round 12. In many cases there will be board changes as teammates will have to switch positions. Any member who played their 4th rated game during the second half of the season will have a provisional LIICL rating which will replace an established USCF rating or an estimated rating.

Players who have reached their 15th rated game during the second half of the regular season will earn a regular rating. Provisional ratings are based upon a performance formula while regular ratings change based upon the deltas of the opponents only. The USCF based Elo rating system is used.

Linares Update

After 4 rounds Peter Leko and Peter Svidler lead the field with 3-1/2 out of 4. The major surprise so far is the poor play of Veselin Topalov who is at minus 2! This year the first half of this tournament is being played in Morelia, Mexico!

Rules of Conduct for LIICL Match Play

- 1) Games are played under USCF rules unless otherwise stated in the LIICL Constitution.
- 2) Time Control is game/90 or game/85 + 5 seconds per move. Electronic clocks with time delay take preference.
- 3) All play will start promptly at 6:50 PM. Any player not appearing by 7:50 PM, forfeits the game.
- 4) A primary Tournament Director (TD) will be announced before the onset of play each round. A secondary TD will be announced at that time who will preside over any match that the involves a team which belongs to the same organization as the primary TD.
- 5) Each team is responsible to provide two boards, two sets and two chess clocks.
- 6) All moves must be recorded except if either player has less than five minutes remaining. If moves are not recorded, any claim of repetition is void.
- 7) Clocks must face outward toward the aisle and away from any wall. The TD must have clear visibility. Black has choice of which side he/she wishes to place the clock. Once this is established, then players must rotate the board so as to satisfy the visibility requirement. This may require that not all members of any team will be sitting on the same side of the table.
- 8) Players must sit in order of LIICL rating. If a player is late, the team may postpone assigning players to boards since alternates, if available, must sit in board order. In any case, clocks will start at 6:50 PM. If a board is unfilled and forfeit, this shall not cause the forfeit of any lower board (this is an exception from USCF rules).
- 9) If both opponents are late, the elapsed time should be divided evenly among them upon arrival of the first player.
- 10) If an error was made in setting the clocks or if the clock is not functioning correctly, the time error shall corrected if it can be determined what the correct times should be. If a determination cannot be made, then the elapsed error shall be divided between the players. If this puts a player in severe time trouble or would cause a player to lose on time, then the time will be proportioned at the discretion of the TD.
- 11) To claim a win on time, you must have mating material. Otherwise the game is a draw. According to USCF laws, you must call your opponent's flag. If both flags are down, the game is a draw. Checkmate ends the game but it is always a good idea to stop your clock anyway just to eliminate any arguments.
- 12) With less than five minutes remaining on your clock, you must hit the clock with the same hand which moves the pieces.
- 13) If an illegal move is made, stop the clocks and call the TD. Two minutes will be added to your time if the TD establishes that the opponent has made an illegal move.
- 14) All players must move away from the playing table when their game is concluded. Loud post mortems, kibitzing and any other form of interference are prohibited and can be penalized by the ouster of the guilty party(ies) and/or banishment from the league.
- 15) Table numbers are assigned for each match on the playing schedule.
- 16) Match results, along with names of participants on each board, must be recorded on the results sheet provided and must be submitted to the Rules Director at the end of play.
- 17) A team captain may, without looking at or considering the board position of a game in progress:
