## K-Rod Wins Absolute!

### Ronnie Winners Announced

The 2007-2008 Ronnie winners have been determined (with the exception of Best Game and Best Combination which are still open to include playoff games). Page 4 shows the leaders in each category and the prize winners. There are nine individuals who earned hardware thus far. These performance prizes are named after our league's founder and first President, Veronica Schnittman. For anyone interested in the calculations used to determine these winners just log on to the website, [www.liicl.com](http://www.liicl.com), and click on the link for [Performance Ratings for 2007/8 \(excel chart\)](#).

### Call for Best Games/Combos

While most of the Individual Ronnies have been accounted for, Best Game and Best Combination are still up for grabs. Any LIICL game from the regular season, playoffs, unscheduled rated games or from the Individual Tournament are eligible. Simply email the games to [liicl@yahoo.com](mailto:liicl@yahoo.com). Any analysis would be helpful. The deadline is Midnight April 11th.

### Playoff Ratings

Playoff Ratings have been published. These new ratings apply for determination of each team's board order for the post-season. If a player remains unrated, that player should be placed so that the relative rating position from the regular season does not change in relation to that player's teammates. If two players on the same team have identical ratings, they may be seated in the order of their captain's discretion. However, once that order is established, it cannot be changed. The new ratings will also be used to determine pairings for the Individual Swiss Tournament which runs concurrently with the team playoffs. Normal Swiss pairings will apply for players not participating in a team match with the exception that teammates will be restricted from facing each other in the first three rounds. See page 6 for the latest rating list.

### Nominations for Officers Needed

New officers will be voted upon on Awards Evening. Nominations for all three officers should be submitted post haste.

### Keith Rodriguez Is USCF CC Champion

ICCFIM Keith Rodriguez continues his dominance in correspondence play by winning the USCF 2005 Absolute championship. This is the premier event held in the US. It is by invitation only. Although the results are not official until announced by the USCF, a review of the crosstable to date reveals that Keith and William Boucher will share this title as no one else can catch them. There are only three meaningless games (to the title) still being contested.

Keith recently captured Board 3 for the US Olympiad team in leading the US to a finals qualification. That result also earned him his first SIM Norm. Keith's performance in the Absolute tournament would have been good enough for a second SIM norm and the Senior International Master title except it does not qualify per the ICCF rules since only one nation's players are represented.

It is probably only a matter of time before Keith gets that title as he is slated to participate in a number of Interantional events which will start in the upcoming months. Congrats Keith - as an LIICL alumnus, you make us proud.

## Complete Bracketology

As the brackets on this page shows, each match to be played has been assigned a letter. In round 1, match "P" will pit the eighth and ninth place finishers in the play-in contest to enter the quarterfinals. The winner advances to match "A" and the loser is now free to enter all members in the Individual Tournament which is held concurrently with the playoff rounds. In round 2 the four quarterfinal ("A", "B", "C" and "D") matches will be held. The four winners advance to the semis in matches "E" and "F". The four losing teams will play in the bottom brackets shown as matches "H" and "I". In the semifinals, round 3, the winners of "E" and "F" will advance to match "G", for the Championship. The losers will then play each other in match "J" for third place overall. The winners of matches "H" and "I" will face each other in match "K" on finals night (round 4) with the winner taking fifth place. The losers of matches "H" and "I" will play in match "L" for seventh place. As always, those players who are alternates for their teams and are not participating in the team matches, may sign up for the Individual Swiss Tournament. All games in match play will double as Individual contest games. April 25th is Round 5 of the Individual Swiss and all players who show will be paired per Swiss tournament rules.
